

Como montar

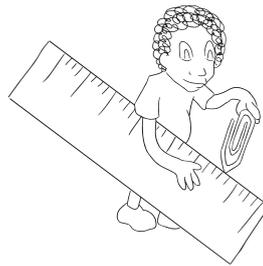

Materiais:

- estilete/tesoura
- régua
- clipe de papel (para vincar, mas pode ser com o estilete também!)
- cola líquida (recomendo à base de álcool!)
- papel (recomendo offset 240g!)
- e, claro, o arquivo com as páginas do carrinho!

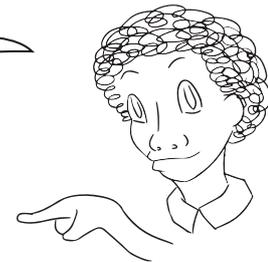

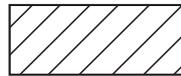

Dicas gerais:

Todas as linhas contínuas
devem ser cortadas.

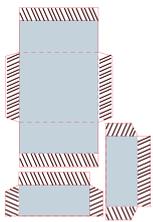

As linhas tracejadas
devem ser vincadas e
dobradas.

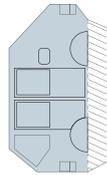

As áreas hachuradas
devem ser coladas.

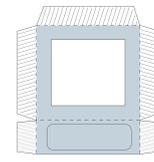

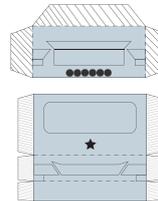

Meu arquivo está completo?

Instruções

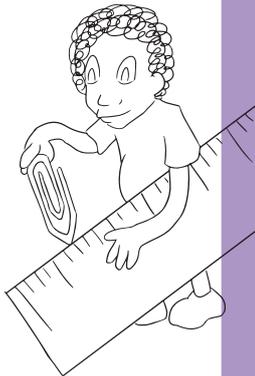

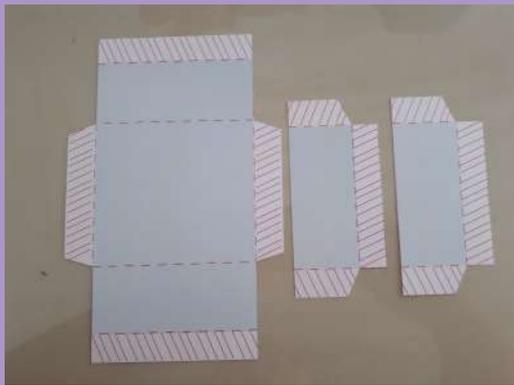

Passo a passo

1. Separe os pares de páginas como indicado .

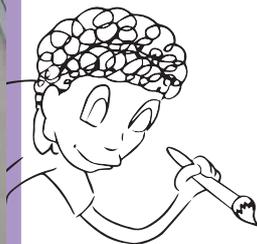

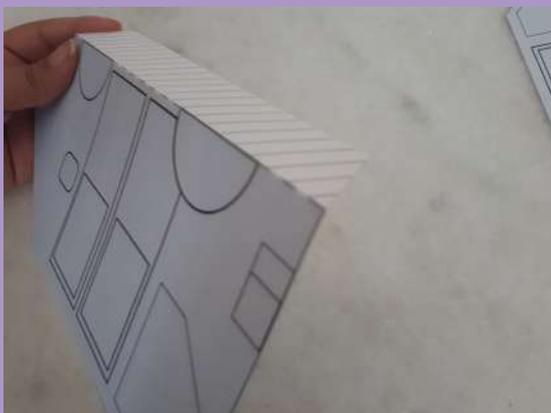

2. Com o estilete, corte as pastes do carrinho nas linhas contínuas.

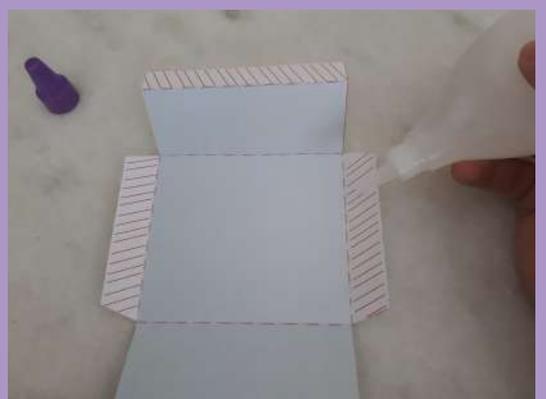

3. Elas devem ficar assim!

4. Com a ajuda do clipe (ou do estilete), vinque todas as linhas tracejadas. Isso ajuda a dobrar!

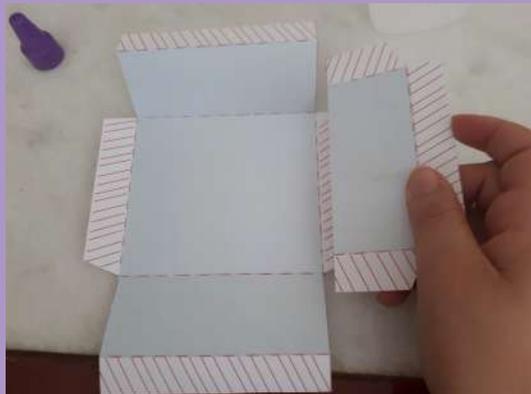

5. Após vincar, dobre as abas como mostra a imagem.

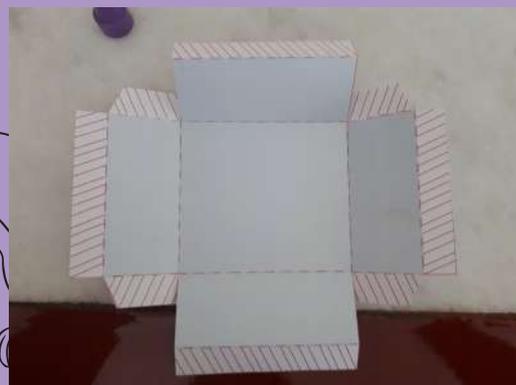

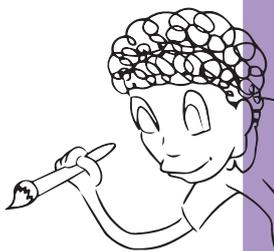

6. Vamos começar a colar pelas peças com linhas vermelhas. Na peça maior passe cola nas abas do meio.

Passo a passo

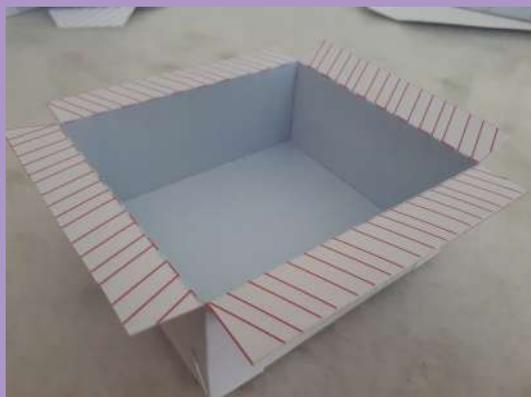

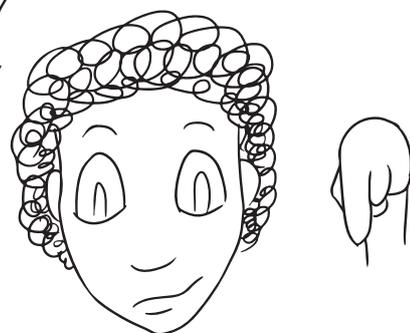

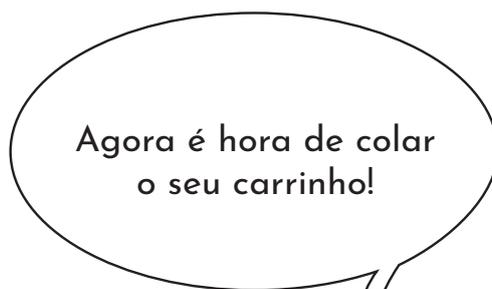

7. E posicione as peças menores como na imagem.

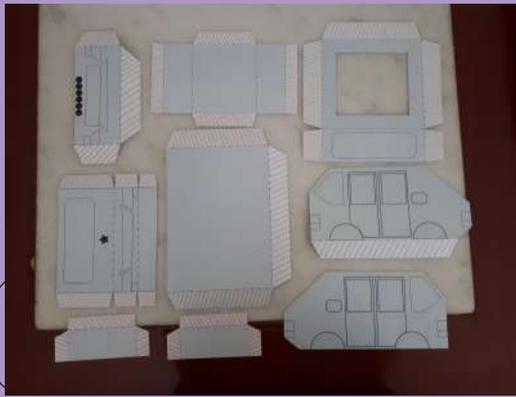

8. Ela deverá ficar assim.

9. Em seguida passe cola nas abas menores como indicado!

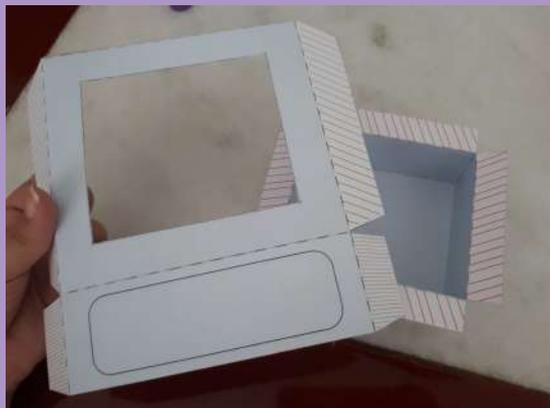

10. A caixinha do seu carrinho ficará assim.

11. Agora separe todas as peças com linhas pretas que já estão cortadas e vincadas.

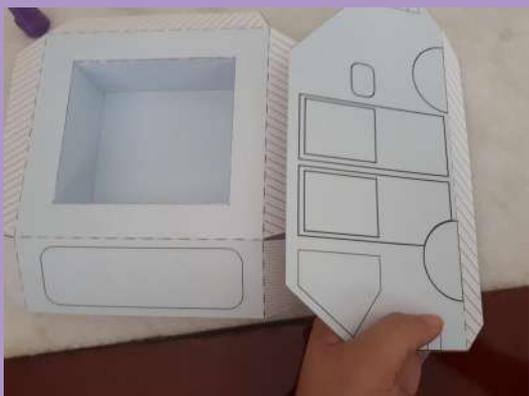

Passo a passo

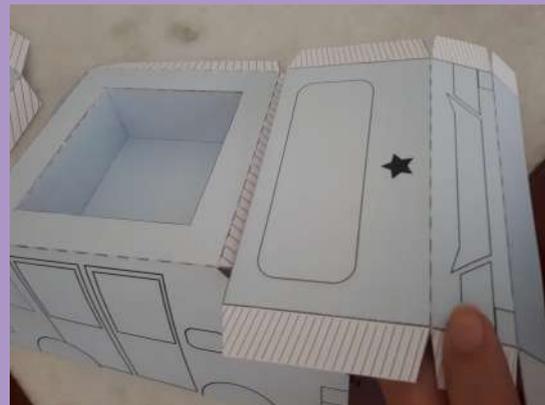

12. Selecione a peça com o corte ao meio e a caixa que já está pronta. Posicione como na imagem e cole.

13. o resultado deve ser esse.

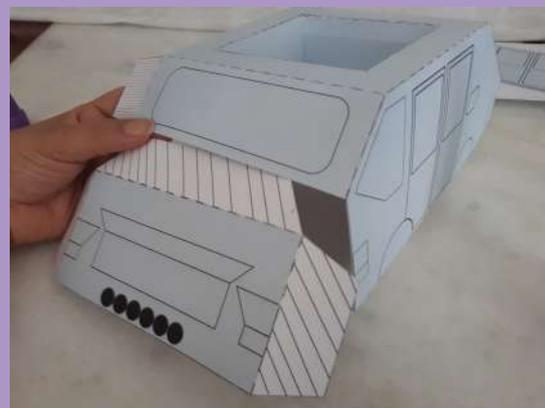

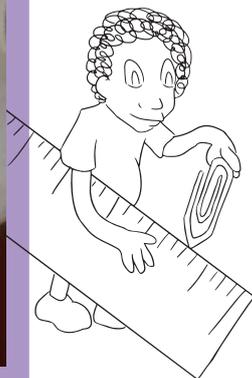

14. Em seguida pegue a lateral do carrinho que tenha aba. Cole como indicado.

15. Agora cole a parte da frente. Lembre-se de colar a aba de cima e a aba lateral.

16. O Carrinho ficará como na imagem!

17. Posicione a parte traseira e cole.

Passo a passo

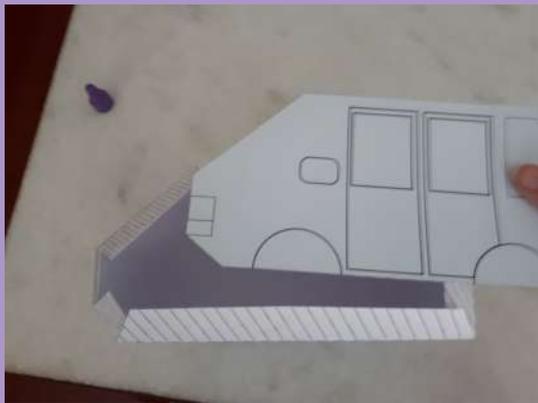

18.

Assim que colar a parte traseira cole também a parte de baixo deixando a aba para o lado aberto.

19.

Com o carrinho quase pronto, passe cola em todas as abas da lateral que esta faltando.

20.

Posicione a lateral que faltava

21.

E assim ficará seu carrinho!!

22.

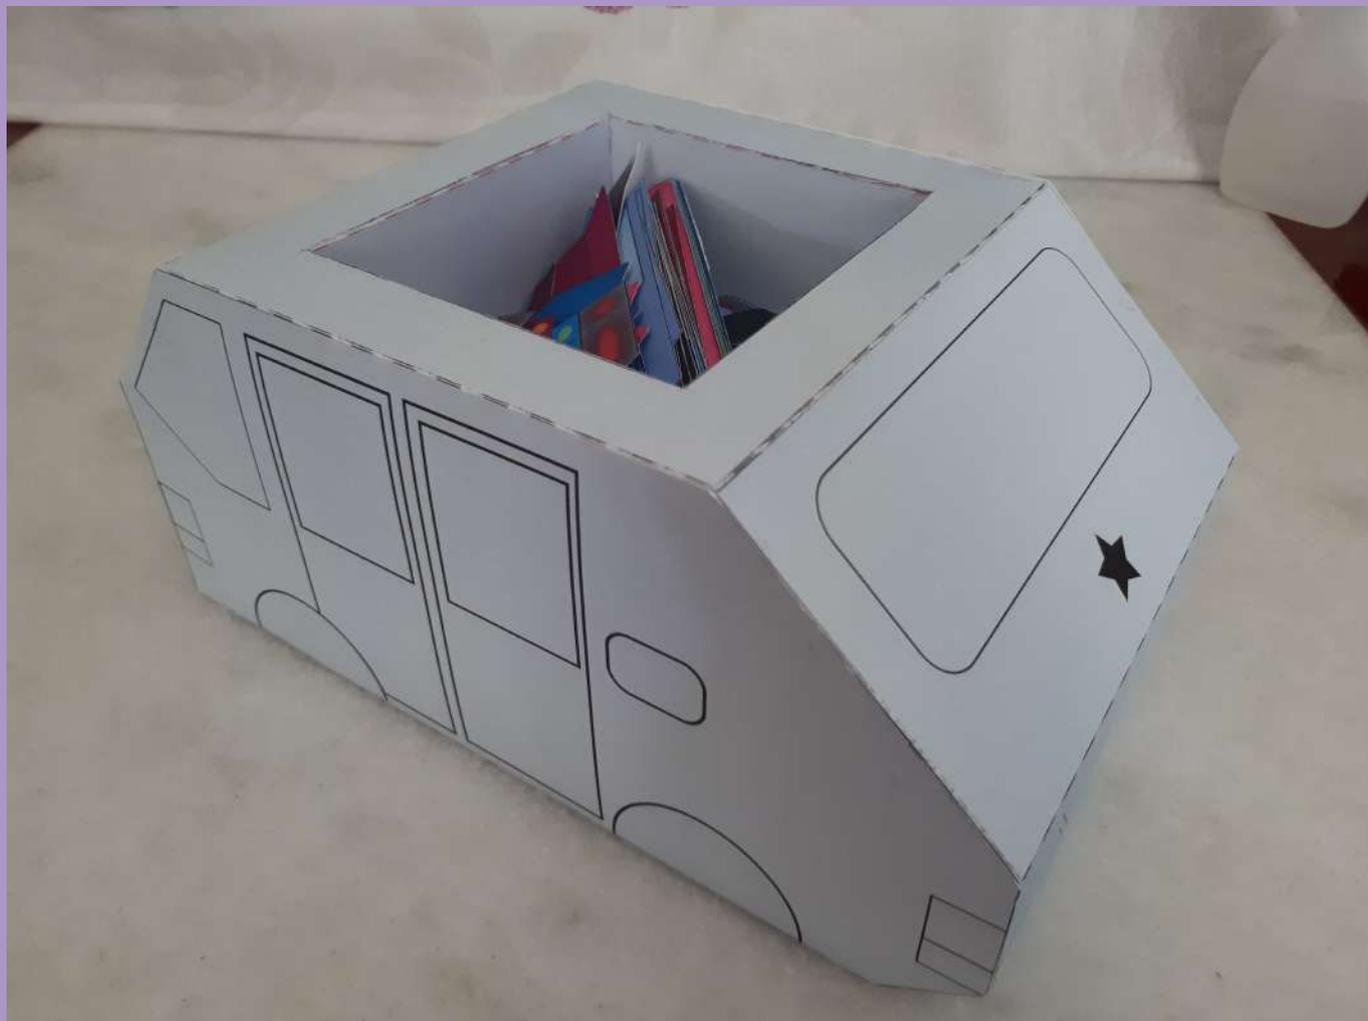

Para as peças utilize a tesoura para cortar.

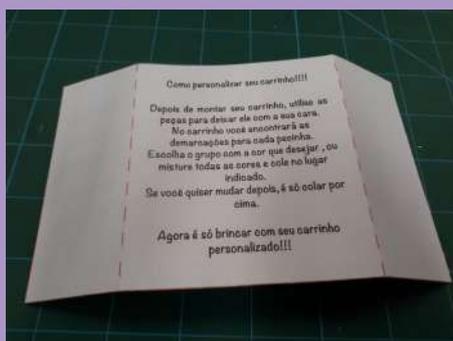

23.

As peças deverão ficar assim.

Passo a passo

Agora é só personalizar e se divertir com o carrinho!

Imprima também as instruções do carrinho. Corte e vinque como as outras peças.

Depois de cortado e vincado, ele servirá como tampa da caixa do carrinho.
